Declaration

If a vehicle permit is approved, the applicant agrees to:

I declare that I am an authorised representative of the business principles listed on this form. I understand that The Authority may withdraw and cancel the permit(s) if the information I have supplied is not true and correct. I declare that I have read and understood the conditions listed above and agree to abide by them. I acknowledge that the permit remains the property of the Authority and undertake to keep the permit(s) secure at all times. I will ensure that the permit(s) are not sold, transferred, assigned to another party or tamper with the issued permit(s) and will return these permit(s) to the Authority if my eligibility or place of business changes.

1. You are responsible for all permits issued.
2. If you sell a vehicle, you must inform The Authority and you will have to return the vehicle permit.
3. Lost vehicle permits need to be reported and replacement is upon written request. The Authority reserves the right to charge a fee if applicable.
4. You must clearly display the whole vehicle permit on the passenger side to the windscreen.
5. Vehicle permits must not be sold, transferred or allocated to another person and/or company.
6. All vehicles that display a vehicle permit must have a flashing beacon mounted to the vehicle when traveling along any internal Parkland pathways or along the Public Domain pedestrian precinct.
7. Business logo or a SOPA contractor logo as issued by the SOPA Manager, must be clearly visible on both sides of the vehicle and be of no smaller than 250mm x 250mm on the vehicle.
8. You must comply with any further conditions listed on the vehicle permit. Permit(s) issued may only be used for work being undertaken with an approved work permit.
9. In the event of misuse of the vehicle permit, the person/company responsible for the permit will provide details required to issue a warning/infringement to The Authority. Failure to comply with this condition will result in all permits issued to the person/company being canceled.
10. Must comply with regulatory signage - bus stops, disable parking bays, no parking and no stopping.
11. Vehicle permits parking in any 2 minute or 15 minute parking zones must not exceed the time frame.
12. Vehicle permits parking in any 30 minute or greater parking zones may park exceeding the time frame.
13. Can only park on a pedestrian area when vehicle is adjacent to work site.
14. Parking on any pedestrian pathway is only permitted when a minimum of 1.2m clearance is provided for pedestrian passage.
15. Parking on hard landscape only.
16. Vehicle permits issued are only for work vehicles. Work vehicles are to be registered to a company and have a company logo. No private vehicles are permitted for a vehicle permit.
17. Use of this/these vehicle permit(s) can only be used to travel to and from the work site and to park adjacent to work areas that are on pedestrian areas.
18. Failure to comply with the Vehicle Permit Conditions of Use as classified above, will be considered misuse of the vehicle permit and maybe canceled and/or infringed
